

General Manager's Message

This quarter marks almost a year since we entered drought restrictions.

The dry conditions we have experienced for the last few years has been caused by the La Nina weather phenomenon in the Pacific Ocean. La Nina means that Texas experiences a much drier than average spring and summer.

The good news is that the weather services are reporting that La Nina has ended and we are experiencing El Nino this summer. El Nino is the opposite of La Nina and we should expect a wetter summer. However, until

we see significant increases in rain, we are still in Stage 3 drought restrictions.

Please follow these guidelines:

- Water your lawn once a week for no more than an hour
- Avoid washing your vehicles at home. Use a commercial car wash that recycles its water.
- Do not fill swimming pools
- Fix leaky faucets and toilets

Meet our Newest Director

Mr. John M. Gray was appointed by the Board of Directors at the January 18, 2023 board meeting to fill the vacant seat.

Mr. Gray has been a member of CMWSC since 2006. He graduated from Del Valle High School. He worked with his father at Central Texas Water Maintenance from 1980-2009 when he started his own company, J&K Utility Services. Mr. Gray is married to Karla and they have four children.

Please help us give Mr. John Gray a warm welcome as he gives of his time and service to Creedmoor Maha WSC.

Board Members Re-Appointed

Directors Bobby Burklund, Rebecca Richards, and Carl Urban were re-appointed to the Board of Directors at the February 15, 2023 board meeting after the uncontested March 2023 election.
