PERSPECTIVE

Did you know it takes approximately 19,200 gallons of water to fill a 16'x32' swimming pool, which equals to 153,600 16-ounce bottles of water?

Did you also know?

- ⇒ It takes 35 gallons of water to make one cup of coffee.
- ⇒ It takes 50 gallons of water to produce 1 egg.
- ⇒ It takes 460 gallons of water to produce a 1/4 hamburger.
- ⇒ It takes 45 gallons of water to produce one glass of orange juice.
- ⇒ It takes 650 gallons to make one cotton shirt.
- ⇒ It takes 30 gallons to make one pound of steel.

All Things Board-Related

Notable Board Meeting News & Actions

April 16: The new Water Conservation Program was announced, along with a joint **Oktoberfest–Imagine a Day Without Water** event in partnership with the cities of Creedmoor and Mustang Ridge, scheduled for **Saturday, October 18, 2025**. The Board also discussed the General Manager's annual performance.

May 21: The Board approved the demolition of two water towers, (downtown Creedmoor and at the corner of Laws and Evelyn). They also approved the construction of a new company warehouse and the launch of a matching 401(k) retirement plan for employees. **Stay tuned for details on our 60th Anniversary event scheduled for Friday, November 7, 2025!**

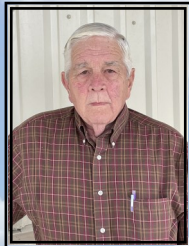

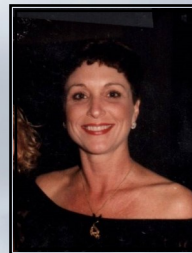

June 18: The June board meeting was canceled.

*Due to scheduling conflicts,
the next board meeting is scheduled on the **fourth**
Wednesday, July 23, 2025.*

Meetings begin promptly at 6:00 PM.

All CMWSC board meeting are open to members!

Board of Directors

Vice-President Yvonne Gil-Vallejo, Board President John Gray, Secretary/Treasurer Rebecca Richards, Director Darrell Walenta, Director Bobby Burklund, Director Anna Ortiz, Director Jay Vaughn, and Director Ben Horton

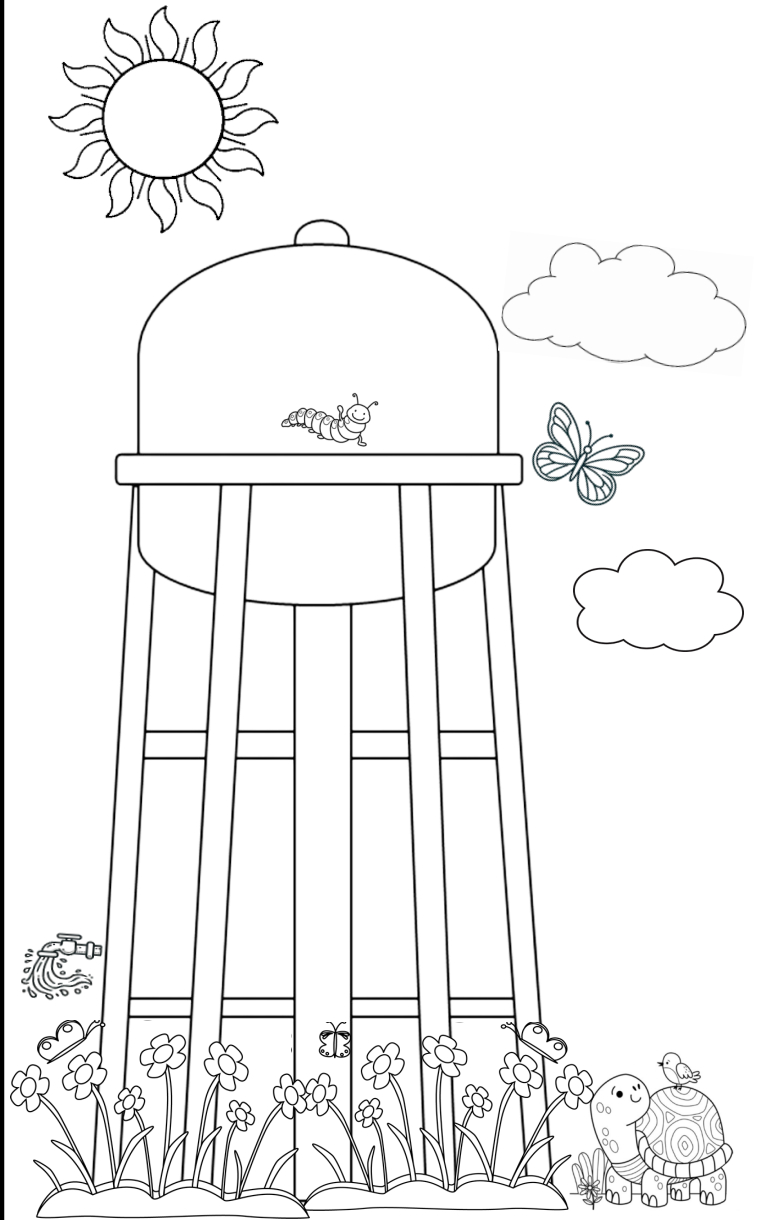

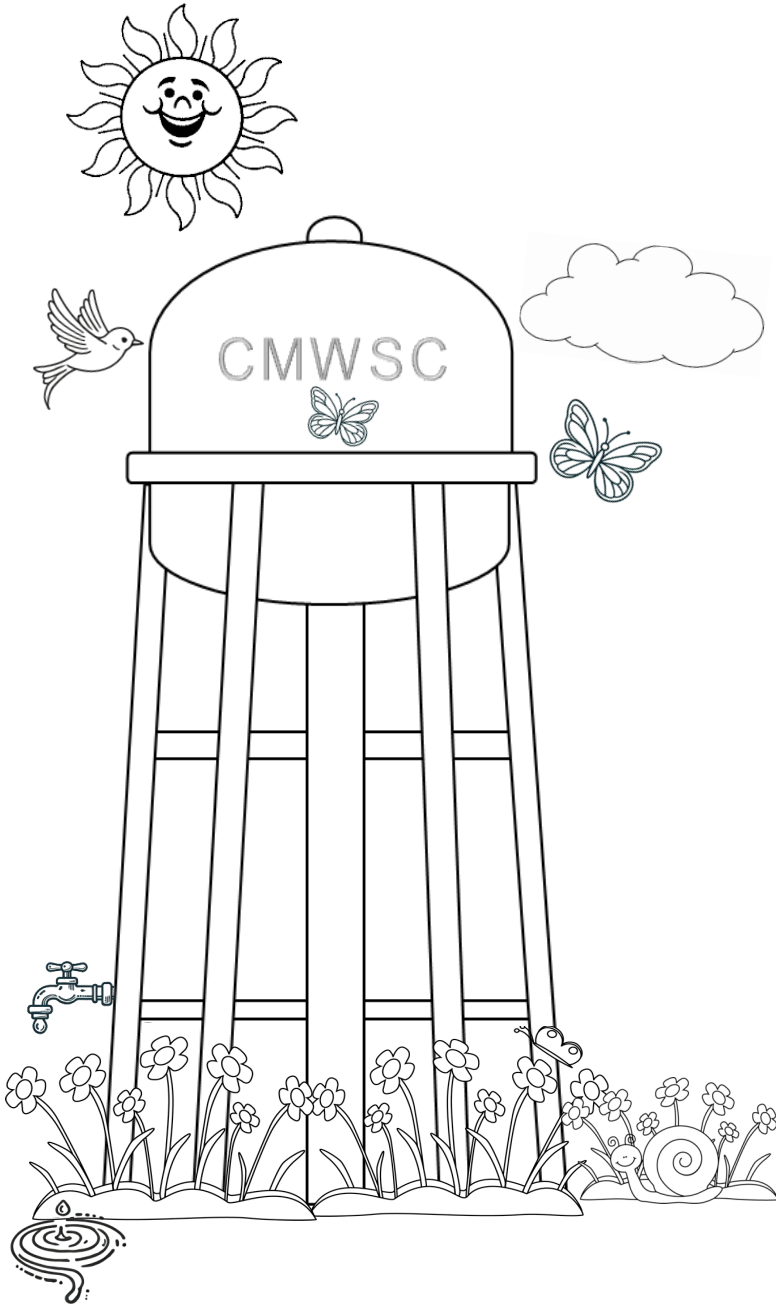

**The Board is accepting candidate applications to fill one (1) board vacancy.

Quenchy Makes a Splash

On Saturday, June 14, 2025, Creedmoor Maha Water Supply Corporation made a splash at the annual **Lockhart Chisholm Trail Roundup Parade**.

Our beloved mascot, Quenchy, rolled through the crowd in true Texas style, busting a few dance moves, and riding proudly in the bed of our company truck alongside our “bubbling,” “mini water tower.”

With temperatures climbing into the high 80s, Quenchy wisely avoided meltdown (literally) and opted for the VIP treatment. Perched like royalty, Quenchy waved to the crowd with all the dignity a giant foam water drop could muster in the Texas heat. From cheers on the sidewalks to kids waving excitedly, Quenchy proved that hydration heroes don’t sweat, they sparkle!

One side of the truck proudly displayed the message: “Too Hot to Walk – Cool Enough to Conserve!” The other side featured: “Quenchy’s Dream: Low Bills, Full Reservoirs!” Both signs encouraging everyone to conserve water for our future.
