CMWSC Hosts Joint City Leadership Forum

On March 27, 2025 Creedmoor Maha Water Supply Corporation (CMWSC) hosted a Joint City Leadership Forum with leaders from the City of Creedmoor, City of Mustang Ridge, Del Valle ISD, and the Colorado River Alliance.

General Manager Matthew Pickle introduced CMWSC's new **Water-Wise Plan**, a water conservation initiative focused on member and community engagement. Communications Coordinator Darla Damron announced the upcoming joint **Creedmoor Oktoberfest – Imagine a Day Without Water** event, set for **Saturday, October 18, 2025**, in partnership with both cities.

Rachel Pierron of the Colorado River Alliance shared details about **The Mobile River**—a fun, hands-on educational exhibit that brings river science directly to students, with a focus on 7th grade curriculum but also engaging other

grade levels, and attending business and community events. Guests enjoyed a self-guided tour of the exhibit, warmly welcomed by **Quenchy**, CMWSC's friendly water drop mascot.

City and school leaders discussed rapid area growth and the potential for Del Valle ISD to collaborate with developers for future school sites. Superintendent Dr. Matthew Gutierrez also addressed the impact of proposed school voucher legislation.

The forum reinforced the value of strong partnerships and proactive planning as the region continues to grow.
